

Now Something **NEW** To Do!

The Giving Tree at Sky Ranch

It seems hardly a month goes by without some occasion, either happy or sad, that calls for a special response. It could be the death of an esteemed colleague or customer. It could be the marriage or promotion of a close friend or staff member. A simple card isn't enough. Flowers would be lost among many. Something electronic just isn't personal enough. So the perpetual question; "what should I do?"

Now, Sky Ranch, which has been providing answers to troubled teens for nearly 50 years, has an answer for busy, thoughtful adults.

We've started The Giving Tree Project at Sky Ranch, an impressive, permanent display of individually engraved brass "leaves" adorning a polished wood "tree" at our South Dakota facility. Your gift of \$150 (minimum) to Sky Ranch Foundation will enable us to place another leaf on the tree. Each leaf will identify the donor and the person honored by the gift. An attractive acknowledgment card will be sent to you and to the person you've honored or their family. All participants in the Trees of Sky Ranch program will be included in the new Giving Tree program. Five or more memorials for a single individual will earn a special oversized plate as seen at the base of the tree in the photo.

"Regular" memorials are another thoughtful solution. Each regular memorial is recorded in a special Book of Memorials at Sky Ranch and acknowledged to you and the person you specify. Regular memorials may be in any amount over \$5.00.

Whichever type of memorial you chose, you'll know you are doing the right thing.

Keep this ad handy for the next time you need a thoughtful solution. You can also download a copy anytime from our website - www.skyranchfoundation.org.

Sky Ranch needs your support, so please consider a special gift whenever your circumstances permit.

Each engraved leaf on The Giving Tree will show the donor and the name of the person honored. This lasting tribute will be on permanent display in the dining room at Sky Ranch for Boys. For more information on Sky Ranch visit www.skyranchfoundation.org and www.skyranchforboys.com.

Although the climate at Sky Ranch made it impossible to continue the former Memorial Tree program, all "Tree Memorials" have been converted to "Giving Tree Leaves" like those shown here at no additional cost.
